ST MARY'S CHURCH

DONATE EARLY FOR CHRISTMAS

from Malcolm Friend

As you know, St. Mary's is a collection point for the Bridgwater Foodbank. You simply leave your donations in the box inside the church and we deliver them to the Foodbank for you.

We're now fast approaching Christmas, a time of year when many of you generously donate additional items such as Christmas puddings, mince pies, children's toys etc. Bridgwater Foodbank needs a couple of weeks to process and distribute your donations before Christmas, so would like our last delivery by Monday 9th December. **Please ensure that your donations are at the church by Sunday 8th December at the latest to ensure that they're included.**

Thanks for your support throughout the year.

COME YE THANKFUL PEOPLE, COME

from Linda Friend

Another Harvest season has come and gone - as you get older they seem to come around more quickly each year! The Church, as usual, was beautifully decorated, with Pauline Clapp's magnificent arrangement of colourful flowers and produce on and around the font reflecting another successful Harvest.

Harvest Service

This was well attended, with Richard Bellaers setting the tone with a Harvest Reflection, and our Rector, Chris Keys, leading the service to bless the donated produce. After the service, members of the congregation lingered to chat over coffee, cake and sausage rolls.

Harvest Auction

The Auction is, as many of you know, the Church's biggest fundraiser of the year. This year was the 50th anniversary of the Auction, started by farmer Les Heal all those years ago. Rector Chris blessed the harvest and led us in the traditional harvest hymn *We Plough the Fields and Scatter the Good Seed on the Land*. Then Ray Triggol took over, demonstrating his auctioneering skills - honed over many years - showing just how good he is at getting the most out of the generous

bidders. Pete Dodge's monster pumpkin, which needed quite a few strong men to move it, took centre stage once again. Bidding was enthusiastic and this year it was knocked down to an impressive £763.

We all took advantage of the bar and enjoyed the crispy *roasties*, tasty sausages and delicious sandwiches served by Amanda Triggol and Janet Young. To mark the anniversary, Maureen Weeks made one of her delicious fruit cakes, decorated with sugarcraft pumpkins and harvest produce, which was handed round after the refreshments.

Thanks to everyone who organised, helped, donated and donated produce. After a generous contribution from the bar, the raffle and *Guess the Weight of the Pumpkin*, we are delighted to tell you that this year it raised a truly amazing £1,719 (£1,694 in 2018).

Harvest Supper

This year's Harvest Supper had a real buzz to it. The generous helpings of cottage pie with roast potatoes, carrots and peas went down a treat - in fact it was a sell out! The *Harvest Loaf* was

blessed and handed round, and after the main course, a selection of puddings - including apple crumble, apple pie, trifle and pavlova - followed by cheese and biscuits, were served. Everything was donated, which is what makes it such a special community event.

My Partners-in-Crime this year - who set-up, cooked, served, washed-up or cleared away - were: Sue and Richard Bellaers, Carole Edmunds, Malcolm Friend, Valerie Fry, Russell and Lesley Harmes, Helen and Francis Hunt, Avril and Don Johnson, Pat Lennard and Julie Hawketts. They wholly contributed to the success of the evening and are all superstars - we couldn't do it without them. I'm delighted to say that I've already got two new volunteers for next year - help is always welcome!

After another generous donation from the bar and Pat Lennard's legendary raffle-ticket selling skills - assisted by Mary Coulson - this year's supper raised a magnificent £873. Thank you all for your company; we hope you all enjoyed the evening as much as we did and we hope to see you next year.

~~~~~

## PARISH COUNCIL

### Extracts from meeting - Monday 16<sup>th</sup> September

#### Matters arising from previous meeting's minutes

- **Wessex Water pressure testing.** Cllr Marion Dethier reported on her contact with Wessex Water about the poor water pressure throughout the village. She furnished the company with all the information and complaints she could gather from social media and received direct. As a result the whole village was pressure tested and there has been a subsequent marked improvement.
- **Broadband update.** Cllr Simon Howes reported that Truespeed had now achieved the threshold of 30% acceptance of their services by parishioners of the individual connection to their network. The first 30% are being offered free connection. Installation has now commenced. Simon is due to hold a meeting with David Hall on Thursday 19<sup>th</sup> September to consider alternative schemes. Simon considers competition will be advantageous. He will report back.

- **Sedgemoor Community Agent talk.** Vanda Squire outlined the considerable progress since the original Village Agent scheme started at about the time of the serious flooding of the Somerset Levels a few years ago. Lottery funding enabled the scheme to start, originally with 12 part time agents. Community Agents have been introduced by CCS (Community Council for Somerset) and work alongside social services. Since then transport/caring/Macmillan/mental health agents have been introduced. Their aim is to broadly support vulnerable people and demand for their services is great and increasing. There are now approximately 70 agents funded by various sources throughout the county. Community agents have a degree of flexibility and are not too hampered by rigid policies, and seek alternative community solutions.

Vanda also outlined the concept of micro providers - self-employed part time DBS checked people with various talents who provide many needs from shopping to gardening and home visiting etc. As we are all well aware, loneliness is a big and increasing problem which brings with it health and self-esteem problems. It is particularly prevalent among the older population and, perhaps greater in relatively isolated rural areas such as parts of Somerset. The CCS website gives more information.

- **Health and Wellbeing.** Again this year, each County Councillor has been given a modest pot of money (£2,000 each) to distribute throughout their areas on schemes to promote the general wellbeing of local communities. In the case of Chedzoy it has been decided to apply for funding for the installation of ramps to improve wheel chair access to the village hall. Simon Howes is kindly completing the application form on behalf of the parish council, who has authorised Simon to act on its behalf.
- **Tree planting – more information.** Following on from the last meeting John Paige has advised the Clerk that he has been in contact with Mr Tilling to find out more details and he will update the parish Council in due course.
- **SDC Community Safety Scheme.** Following on from the last meeting the Clerk has requested a small pdf type file, suitable for insertion in Chedzoy News, covering topics such as illegal loan shark activities, domestic abuse, child sexual exploitation, trafficking, modern slavery and terrorism. To date he has not received one and he will follow it up.
- **Allotments.** The Clerk reported that, in order to ensure 100% tenancy of the allotment field, and bearing in mind there was no one on the waiting list at the time, a plot which would otherwise have fallen vacant, was let to two existing plot holders on the understanding that they would vacate it should anyone new apply for tenancy. The Clerk explained that the allotment rents (6 at £30 = £180 pa) needed to cover water charges and the rent the council pays to its landlord. It would be technically illegal if the allotment running costs were subsidised by general council funds. To clarify the position Marion Dethier suggested the Clerk presents a summary of the position to councillors at the next meeting. A new applicant for a plot has come forward and he will be offered one from Lady Day 2020.
- **New Parish Council Notice Board.** Cllr John Paige has drawn up a design and cost estimate (£207.04), for the new board for the exclusive use of the council - to free up space on the existing board. Location of the new board was discussed. It would obscure the bus shelter window if placed beside the existing one. Simon Howes kindly said he would liaise with John on the matter.
- **Sedgemoor Local Plan 2019.** A paper copy of this document has been received from Liz Perry and is being retained by the Clerk.
- **Public Footpaths throughout the Parish.** A parishioner who regularly walks the footpath network has reported the problem of a landowner ploughing up the footpath running round the edge of Northfield (behind the church) to both the landowner (Gillards Farms Ltd), and SCC. The footpath is regularly blocked by crop growth. He questions if the farmer's employees/contractors are aware of the paths and the rules and asks that all concerned are made aware that bordering paths must not be ploughed up. Those crossing cultivated fields can be ploughed but must be restored to a minimum width of a metre within 14 days. An acknowledgement has been requested. The Clerk was asked to liaise with the parishioner and, if no

satisfactory response has been received, contact Gillards to add the support of the parish council in the matter.

On an associated matter of bridleway access., another villager presented photos supporting the fact that part of Moor Drove had broken gates which are a particular problem to horse riders trying to open or close them, and a length of string blocking the bridleway. Simon Howes said he would have a word with the occupier of the land.

Mark Smith (our village footpath officer) is constantly reporting the many problems he becomes aware of on the footpaths, often to no avail, and he advises the following: *The landowner (or occupier) is responsible for the maintenance of any gate or stile on their land which is on a public right of way, whether that's a footpath or bridleway. They have other responsibilities too regarding keeping the route clear from obstructing vegetation etc. The footpath authority, SCC, usually assists landowners financially with the cost of replacement of gates. Especially when the new gate or stile is an improvement on what was there before. Bridges carrying footpaths are SCC's responsibility, and it is assumed this includes sleeper bridges.*

#### **SedSomerset County Council report**

David Hall reported as follows:

- **Broadband.** Connecting Devon and Somerset recently formally cancelled the Gigaclear contract.
- **Combwich Jetty.** This is now operating and aggregates are conveyed to Avonmouth by rail and then by sea to the jetty. There should be a dramatic reduction in heavy road traffic as a result. The installation of modular buildings at enterprise centres at Wiveliscombe and Wells illustrates the underlying strength of the local economy, quite apart from Hinkley Point.
- **Winter Grit Stocks** – these are high.
- **Enterprise Partnership.** Two new members for the Enterprise Partnership are being recruited. This is a conduit of enterprise funding throughout the south west.

#### **Sedgemoor District Council report**

Anthony Betty reported as follows:

- **Fracking.** A recent SDC scrutiny committee meeting considered the possible declaration of a *fracking free* zone throughout Sedgemoor. David Hall mentioned that SCC needed to consider other aspects of this in that if they did the same, any subsequent fracking application would be taken over by Central Government as SCC would be assumed to have pre-determined the matter, with the accompanying loss of any control.
- **Fire Service.** SDC were resisting the move to reduce the fire appliance cover from three to two in the town.

#### **Planning**

No new applications received.

- **Application reference 18/19/00004/CAN. (Parchey)** This has been granted retrospective permission.

#### **Finance**

Parish Council balances were as follows:

|                                     |            |
|-------------------------------------|------------|
| Current Account                     | £3,705.35  |
| Deposit Account                     | £2.48      |
| Cambridge BS Council Easy Access ac | £12,341.19 |

The second instalment of the 2019/2020 precept (£3,748) is yet to be received.

The new Lloyds Bank mandate has been completed, and the new signing arrangements are in place.

#### **Any Other Business**

- **Playing Field.** The Clerk read an email from a parent whose child sustained a head injury by running into a bar at the entrance to the playing field. She suggests the bar is painted to make it more visible, and even offers to paint it herself. She is very appreciative and complimentary about the facility. The Clerk has passed the email on to the playing field committee.
- **Phone kiosk library.** The Clerk reported that John Paige had replaced the fluorescent light. He said that he overcame the *anti-vandalism lock* quite easily – *Due to him having had (many years ago) a misspent youth!*

- **Heritage Plaques.** Simon Howes wondered where we were with the possible erection of these, and the Clerk said they were with one of the householders concerned, and he would chase matters up.
- **Website.** Simon Howes voiced concern that some information was out of date. Agendas have not always been placed on the website, but the Clerk will ensure these are kept up to date.
- **Chedzoy signs.** Rodney Young asked if the signs at Parchey and Fowler's Plot could be renewed. The Clerk said he would contact SDC Clean Surroundings (the department dealing with such things) appropriately.
- **Footpath leading to the motorway bridge.** It was noted that this was impassable and the Clerk was asked to ensure it is reported, if not already done.

### Extracts from meeting – Monday 21<sup>st</sup> October

#### Matters arising from previous meeting's minutes

- **Broadband update.** Cllr Simon Howes reported on the meeting on 19<sup>th</sup> September between himself, David Hall and Open Reach, saying that Open Reach are still considering a fibre installation and options are being explored with Connecting Devon and Somerset funding. Any further information will be communicated as it becomes available.  
The True Speed fibre project is understood to be going ahead as they appear to have the required number of parishioners contracted although the connection date is not yet known.
- **Healthy Living Grant Aid from SCC.** The previous grant aid application for more ramps at the village hall was unsuccessful because it is a statutory requirement for ramps to be installed at such public buildings. The Chairman suggested an alternative project of upgrading the audio visual equipment at the hall. This was discussed and unanimously agreed. Simon was given parish council approval to act on its behalf in respect of the application.
- **Tree Planting.** John Paige reported that he had spoken to Andrew Tiller who confirmed he would liaise with the relevant parish councils about the location of any trees to be planted. Andrew is aiming to attract 1100 signatures on his tree planting initiative petition in order to force a debate in full council of the matter. To take part please go to:  
[www.sedgemoor.gov.uk/article/3526/Petition-Sedgemoor-District-Council-must-ensure-more-trees-are-planted-to-help-mitigate-the-impact-of-Climate-Change](http://www.sedgemoor.gov.uk/article/3526/Petition-Sedgemoor-District-Council-must-ensure-more-trees-are-planted-to-help-mitigate-the-impact-of-Climate-Change)
- **Allotments.** The Clerk reported that the last year had seen a spike in water costs, possibly linked to the dry summer, resulting in a bill in December 2018 of £117.31. This has resulted in allotment costs for the last year of £226.30 against rental income of £180 – a deficit of £46.30. He said it was not allowable for the parish council to subsidise the allotments but there has previously been a small profit produced which offsets the occasional deficit. The Clerk was asked to monitor the situation on an ongoing basis so an increase in plot rental can be made as necessary.
- **New Parish Council Notice Board.** The location site of the new board was discussed and it was decided it should be placed to the left of the bus shelter, to the front of the bus shelter garden.
- **Public Footpaths throughout the Parish.** In view of the several problems of blocked, ploughed up and damaged footpaths, Marion Dethier has done some research and she suggested the parish council considers joining the *Open Spaces Society* at an annual fee of £40 in order to gain access to its expertise in overcoming such problems, and the legal steps necessary to enforce the law on offending landowners, where appropriate. This was unanimously agreed. The Clerk was asked to arrange completion of the necessary documentation.

Regarding the dilapidation of bridleway gates and stiles at Moor Drove, Simon Howes said he has spoken to Ray Triggoll whose farm is the main user of the drove and who was happy for the gates to be replaced, leaving the problem of finance. The Clerk was asked to liaise with George Montague (SCC footpath officer for the Sedgemoor area), to establish costs involved and any possible sources of finance available.

Regarding the overgrown state of the footpath leading to the motorway overbridge (BW ¾), this appears to be situated in the neighbouring parish of *Bridgwater Without*. The Parish boundary runs down the west side of the drove and you are in the next parish

as soon as you leave the drove. The Clerk was asked to report the matter to the Clerk to Bridgwater Without parish council.

- **Heritage Plaques.** The Clerk reported that he has spoken to the householders of both Court Farm House and Court Farm Cottage, and they were all agreeable to the plaques being erected. John Paige kindly agreed to arrange this.

#### Somerset County Council report

Cllr. David Hall reported as follows:

- **Broadband.** He said a wash up meeting following the failure of the Gigaclear rollout has been held, and he also met the Government Minister Matt Warman, who confirmed his support. The allocated funds have been ring fenced and the broadband issue is a strong part of the Government's objectives.
- **Combwich Jetty.** This is now up and running.
- **Hinkley Point.** The recently announced potential over-run of the Hinkley project will not affect the cost to Government as the price has previously been fixed.
- **Gravity.** The development site at the old ROF factory at Puriton, some 600+ acres, is estimated to be a 15 – 20 year project.

#### Sedgemoor District Council report

Anthony Betty reported as follows:

- **Fracking.** SDC recently declared its region to be *Frack Free*, meaning any future planning application would have to be dealt with by the County Council.
- **Christmas Car Parking.** There will be three free car parking Saturdays in the run-up to Christmas, throughout Sedgemoor.

#### Planning

One new Planning Application:

- **Application reference:** 18/19/00005/DT.  
Applicant: Miss Edmonds.  
Location: Manor Barn, Manor Road, Chedzoy, TA7 8QS.  
Proposal: Erection of 1 No dwelling (4 bedroomed dormer bungalow) with parking area.  
The proposal was discussed and plans examined. The proposed site was the subject of an application for a *barn conversion* earlier last year, which was successful, but it is now proposed to erect a 4 bedroomed dormer bungalow with parking area on the site. Part of the barn will be demolished to give more garden with the greater remaining part of the barn being converted into a car port. Flooding issues were gone into with the earlier application. The poor visibility at the junction of Manor Road and Higher Road is of great concern to the parish council - this of course was pertinent to the previous granted permission. It was unanimously agreed that the parish council has no comment to make, save for mentioning the poor visibility at the said junction. The Clerk was asked to convey the following comments to the Sedgemoor Planners: *The Parish Council of Chedzoy has no comment to make save for expressing its concern at the very poor visibility at the junction of Manor Road with Higher Road.*

#### Correspondence

- **SDC Budget Consultation.** The Sedgemoor consultation exercise with the public, about the ways in which its share of the council tax is spent, closed on 18<sup>th</sup> October 2019.
- **Councillor Training.** The Clerk reported Nick Griffiths and Rodney Young were attending the forthcoming *Councillor Essentials* seminar at SALC Edgar Hall Somerton TA11 6SB on 13<sup>th</sup> November 2019 from 7 – 9 pm.

#### Finance

Parish Council balances were as follows:

|                                     |            |
|-------------------------------------|------------|
| Current Account                     | £5,879.12  |
| Deposit Account                     | £2.48      |
| Cambridge BS Council Easy Access ac | £12,341.19 |

The second instalment of the 2019/2020 precept (£3,748) has been received.

#### Any Other Business

- **Avon and Somerset PCC Newsletter.** The latest newsletter has been received.

- **SDC Annual Planning Seminar.** Sedgemoor DC have advised us of this year's planning seminar dates, and the following councillors will be attending:  
Simon Howes and Marion Dethier on Tuesday 19<sup>th</sup> November.  
John Paige on Thursday 28<sup>th</sup> November.
- **Somerset Rivers Authority Community Engagement Team.** Dawn James and Emma Giffard of the SRA are offering to come along to a council meeting to build their understanding of our community's experience with flooding and consider how we all might work together to reduce the potential impact of future flood events. The Clerk will invite them to either the November or December meeting.
- **SDC Community Safety Team.** Regretfully the Clerk has received no reply to his request for a compact file suitable for insertion in *Chedzoy News* highlighting the current issues around illegal loan shark activities, domestic abuse, child sexual exploitation, trafficking, modern slavery and terrorism. With the winter edition shortly going to press the matter should now rest.
- **Village/Street signs.** The Clerk reported that *SDC Clean Surroundings* were arranging to replace the *St Marys Close* sign. SCC are responsible for the village signs and a request has been made for them to replace the *Chedzoy* sign at Parchey.
- **VE Day 75<sup>th</sup> Anniversary 2020.** It was formally proposed to donate £1,000 towards the celebrations during the weekend of 8<sup>th</sup> – 10<sup>th</sup> May 2020. This was unanimously agreed. Cllr Marion Dethier to confirm this to the hall committee.
- **Localised flooding in Higher Road.** The Clerk received a voicemail from a villager concerning localised flooding during the recent heavy rainfall. The message appeared to be incomplete.
- **Park Wall Drove.** A complaint has been received from a parishioner about the bad state of the footpath in this area following contractors installing power cables. The Clerk was asked to try to find out who the contractors were and maybe contact them, and to advise the parishioner that he can log the complaint on the SCC web site if he so wishes.
- **SCC Highways Winter Service.** SCC have allocated an additional £200,000 to restore the precautionary gritting treatment on the road network to that as at 2017/18. 21% of the Somerset road network will be treated when snow or ice is forecast. Grit bins will be replenished as necessary and one tonne dumpy sacks will be provided at potentially hazardous spots. The 25Kg sacks of salt will not be provided to parishes this year, partly due to poor take up recently.  
Once the winter season starts you can follow events @TravelSomerset on Twitter for weather updates.
- **Sedgemoor Conversation 6<sup>th</sup> November 2019.** SDC have issued an invitation to the next *Sedgemoor Conversation* looking at the *Community Safety Management Plan* in relation to HPC to the work of the *Hinkley Community Safety Group*.
- **PC meeting dates on the web site.** The Chairman requested that future council meeting dates be placed on the web site.
- **Bus Shelter Litter Bin.** Rodney Young brought up the problem of flies gathering round the bin in hot weather, near to the bus shelter where people, including children, gather to catch buses. Cllr John Paige has kindly offered to look into the matter of getting a lid put on the bin.
- **Horse riding on pavements.** Cllr John Paige reported seeing horses being ridden on the high pavement past his house. He feels this represents a safety issue to the riders as well as the public. Cllr Nick Griffiths said he would make some enquiries and report back to the next meeting.

~~~~~

MACMILLAN COFFEE MORNING

from Avril Johnson

Thanks to those who baked, served and supported the event, plus a generous donation from *Pop in for a Pint*, we were able to send a total of £749.89 to MacMillan this year. Well done everyone!

~~~~~

## CHEDZOY PRE-SCHOOL

*from Pat Davies*

We have had a very busy half term and the fun is set to continue as in November we will be exploring *Light and Dark*, including Bridgwater Carnival, representing fireworks with chalk and paint and investigating *Day and Night*. December will be full of Christmas preparations including cooking, art and our much awaited Nativity Play.

We will be holding an Open Morning on Tuesday 12<sup>th</sup> November 9.15 - 11.15 am. This will be held at our base, Morgianians RFC, Chedzoy Lane. We have exciting sensory and messy play activities planned, plus refreshments. Staff and committee members will be available at this event.

~~~~~

COULD YOU BE A MARIE CURIE HELPER OR COMPANION?

Marie Curie are looking for dedicated volunteers for their Helper and Companion Services in Somerset. *The Helper Service* offers emotional support to people in your area living with a terminal illness. This includes visiting them at home, going out with them, or talking to them over the phone. *The Companion Service* is based at Musgrove Park Hospital in Taunton and offers one-to-one support for patients and their carers in their final days or hours of life. These volunteers give around three hours each week and provide companionship, comfort and emotional support for people on the hospital wards as well as family and friends who are visiting them. All services are completely free to the terminally ill person and full training and travelling expenses are given for all volunteers. If you are interested please phone 0800 304 7400 or email southwesthelper@mariecurie.org.uk
